Terms and Conditions:

- Above rates have **Government Tax included** and are applicable for a one-way journey.
- Rates include the ferry ticket for the **driver & vehicle ONLY** but **do not include ferry tickets for passengers**. Passenger ferry tickets (€4.65 for adults and €1.15 for children up to 12 years) are an extra cost. These are only paid one time on the return journey, so NOT on Arrival.
- In the event of an increase in fuel prices or other unforeseen circumstances, Mayjo reserves the right to change the fares without prior notice. Different rates may also apply during peak hours as well as during public holidays. Final rate is confirmed by Mayjo.
- An extra fee will apply for any extra stops.
- **Baby Seat / Booster Seat** can be supplied on request in Taxi / Minivan at no extra cost.
- Due to unforeseen circumstances such as ferry problems, delays or big queues at the ferry terminal, a **direct transfer can be changed to a split transfer**, also for the benefit of the customer in order to avoid delays to get to the final destination. This is most common on Sunday afternoons and/or on eve of public holidays, however it can happen during other days as well. In such cases the customer will be informed beforehand by mobile and/or email.
- Waiting time charges may apply. For flight arrivals at Malta International airport, a 45 minute grace period will apply from the official landing time provided by Malta Airport. Once the grace period ends, €5 per 15 minutes will be charged.
- **Divers / Excess Luggage:** Amount of luggage and size (where applicable) must be always confirmed with Mayjo before informing final price to the client. Price might vary according to the type of minivan required due to the size of the luggage, independent of the number of persons travelling. The standard size of checked-in luggage is not to exceed 70cm high, 47cm wide and 21cm deep, with a maximum weight of 23 kg. In case there will be more luggage than indicated upon booking, luggages are of hard shell or larger than standard and thus require more space, extra charges might apply accordingly in case a bigger vehicle is required.
- There might be instances in which Mayjo would need to contact the customer, therefore, a **mobile contact number** (incl. country code) of the person travelling is to be provided upon booking the service.
- **Last minute cancellation** of less than 24 hours prior the pick-up time will incur the full cost of the transfer. There is no cancellation fee if Mayjo is notified more than 24 hours in advance. Any amendments in pick-up time needs to be informed more than 24 hours in advance of the scheduled time and will be subject to availability.
