- Rates include the ferry ticket for the **driver & vehicle ONLY** but **do not include ferry tickets for passengers**. Passenger ferry tickets (€4.65 for adults and €1.15 for children up to 12 years) are an extra cost. These are only paid one time on the return journey, so NOT on Arrival.
- **Baby Seat / Booster Seat** can be supplied on request in Taxi / Minivan at no extra cost.
- Due to unforeseen circumstances such as ferry problems, delays or big queues at the ferry terminal, a **direct transfer can be changed to a split transfer**, also for the benefit of the customer in order to avoid delays to get to the final destination. This is most common on Sunday afternoons and/or on eve of public holidays, however it can happen during other days as well. In such cases the customer will be informed beforehand by mobile and/or email.

- **Divers / Excess Luggage:** Amount of luggage and size (where applicable) must be always confirmed with Mayjo before informing final price to the client. Price might vary according to the type of minivan required due to the size of the luggage, independent of the number of persons travelling.
- There might be instances in which we would need to contact the customer, therefore, a **mobile contact number** (including country code) of the person travelling is to be provided upon booking the service.
- **Last minute cancellation** of less than 24 hours prior the pick-up time will incur the full cost of the transfer. There is no cancellation fee if we are not notified more than 24 hours in advance.
